Price: 50.00 \$

Digi-Pro GMAX 20 in. 40-Volt Cordless Electric Snow Blower - Battery and Charger Included. Like new - only used a few times but liked it so much that we purchased one that uses the same batteries as our mower so now don't need 2 snow blowers. I have cleared the snow from our double wide driveway and the sidewalk on one battery charge. Retail cost \$384.36. Works great!

Making life easier, the G-MAX 40-Volt Lithium-IonSystem delivers reliable, high-performance power with a range of tools to choose from. Whether it is mowing, trimming, cutting or blowing away debris and snow, the G-MAX 40-Volt Lithium-IonSystem makes life easier with no gas, no cords and zero maintenance when not in use. For greater durability, the Greenworks G-MAX DigiPro Brushless Motor Series features several G-MAX compatible tools with greater torque, battery efficiency and reliability. For tough jobs without the gas hassle, the Greenworks G-MAX and Greenworks G-MAX DigiPro tools will get the job done no matter the condition. Quieter, lighter weight and easier to use than gas powered tools, the G-MAX 40-Volt battery offers a longer run time than current battery standards-making this an
