Service and Sales Technician

Alpine Culligan Water, a Culligan Franchisee, is seeking an individual with technical and possibly sales experience to provide service and repair for Culligan products in the field. Products include water softeners and water filtration systems for both homes and businesses.

Why work for Culligan? Culligan International Company is a recognized brand and industry leader that offers best in class products in water quality solutions!

We offer:
Competitive hourly rate and bonus opportunity
Benefits
Advancement opportunities

We hope to find an individual who would be interested in future opportunities in management and/or ownership. There is ample opportunity for a competent, committed individual to have a great career and not just a job.
