I have over 200 dresses in sizes 0 to 16. I purchased them from a closing bridal shop in kc. Most still have tags. I have brand name dresses such as Tonnie Bowels Alyce Allure and more. Most retail from 90 to 400+. I am selling for under 50 percent of retail. Please text 620-9605052 if you are interested. I can send additional photos of more dresses if you let me know what type and size you are looking for. They tend to run a size or two small. Below is just a small sample of what I have
